

202 - FURNITURE OIL

FURNITURE OIL for cleaning and care of oil finished wood surfaces such as teak, walnut, rosewood and mahogany. The emulsion has an excellent cleaning power and efficiently removes grease and finger marks. The Furniture Oil provides a long lasting oil impregnation of the wood, which protects the surface from drying out. The wood will attain a dull finish, underlining the natural color and structure.

Instructions

Apply with a soft cloth and rub until all dirt or grease spots disappear. If applied too thickly, excess oil may be wiped off after 10-15 minutes.

Declaration

Contains: Non-ionic surfactants, saponified fatty acids, selected oils and pure aliphatic hydro-carbons plus deionized water.

WARNING: Keep out of reach of children.

Conditioning

250ml (12 units/box) / 500ml (12 units/box)
