

# 716 - STEEL CLEANER SPRAY

STEEL CLEANER SPRAY is developed especially to clean stainless steel doors and panels on kitchen appliances. The cleaner will dissolve grease and remove fingermarks, fat, dirt and other contaminations. Steel Cleaner leaves a thin protective film on the surface, which also will ease cleaning.

## Instructions

Spray Steel Cleaner on the surface and rub with a soft cloth until all stains has been removed. After a few minutes, wipe off any excess Steel Cleaner with a clean cloth. Heavily soiled surfaces may require repeated treatment.

## Declaration

Contains: <5% non- and an-ionic surfactants, Benzisothiazol-3(2H)-one. >15% paraffinic oil and aliphatic hydrocarbons. Also contains: deionized water, perfume.

**WARNING:** Keep out of reach of children.

## Conditioning

500ml (12 units/box)
